Anut Weignon
A.F.S. STUDENT

A native of Thailand, Anut Wiengnon was our AFS student for the 1976-77 year. She stayed with the John Eisenbarth family.

When Anut returns home, she says she will miss a particular American custom. On August 24, Anut had her first birthday cake, since birthday cakes aren't a custom in Thailand. She says that she will also miss the snow, something she had never seen before.

Anut enjoyed sports and American music here, but upon her return she must busy herself with another year of teacher's college.

Anut would like to wish everyone good luck in the future.

GOLF

Because a bond referendum was defeated, minor sports were in danger of being eliminated this year. Fortunately, through community help, sports like golf, track, and wrestling survived another year. On behalf of minor sport participants, the yearbook staff takes this time to thank everyone who is working to help our school.

Angie,
I know
It is always
customary to write very
long things in a high school
year book. However I don't really
know what to write, so I really don't
think I'll be able to write anything really
long because I don't really know you that
well. If I know you
very nice, just
her I think you
to write any thing real
that I know about
just 2nd and 7th hr. Some times
other (so we could talk about Donna) & mostly
guess that's about all after all I'm
up about a whole page (you know how it is with

Angie,
To a real neat friend, remember all freshman year, remember your slumber party, my slumber party, football games, Corrine's party, Watts party! Looks like all we did was party! No wonder we got poor grades! Remember when we fought over Doug Bell (how dumb) Remember my birthday when you & those guys beat me up?! Oh! one more thing, remember our Slumber hour picnics! how much fun we had. Somehow I wish it could happen again (leave out bad grades) Enjoy life Angie, keep your spirits + dreams high!

Good luck. (80)
